The Gospel Truth

Key Theme

- God used men to record His words.

Key Passages

- Luke 1:1–4; John 6:16–21, 21:24; Matthew 14:22–33

What You Heard in the Word

- The apostles faithfully wrote the Gospels down so we would know about Jesus's life on earth and would believe in Him.
- Because all four Gospels were written by different men, they should be different. The differences confirm that the Bible is true. If they were identical to each other we would doubt the truth of them.
