# DESCRIPTION

This project call PASSION.LOVE & JOY. by Hermione Goh which the objective is to inspire young generation to have passion & love towards their life. It's actually a self promotion of myself to show out the way I live my life. I always thought I was not great in doing anything. But I always learn to enjoy my life. Passion is the thing that keep me going on till now. Passion forms when you have love, once you love it then you will naturally enjoy what you're doing. Which means "When there's passion, there's hope in life."

Each of us has  
a fire in our  
hearts burning  
for something.  
This is your  
life, and it's  
a short one.  
Don't let others  
extinguish your  
flame...

04

Without passion  
you don't have  
energy, without  
energy you  
have nothing.

– Donald Trump

Don't be  
pushed by  
your problems.  
Be led by your  
dreams. Live  
the life you  
want to live.  
Be the person  
you want to  
remember  
years from  
now.

08

Success is not about where you are standing at any given point in time, it's about how much you've learned and how far you've come to get there.

Don't stop when  
you're tired,  
stop when  
you're done!

The only way  
to do great  
work is to love  
what you do.  
If you haven't  
found it yet,  
keep looking.

Remember, there are no mistakes, only lessons. Love yourself, trust your choices, remember what you deserve, and keep pushing forward.

Don't change so people will like you. Be yourself and the right people will love the real you. 20

I am not special,  
I am just limited édition.

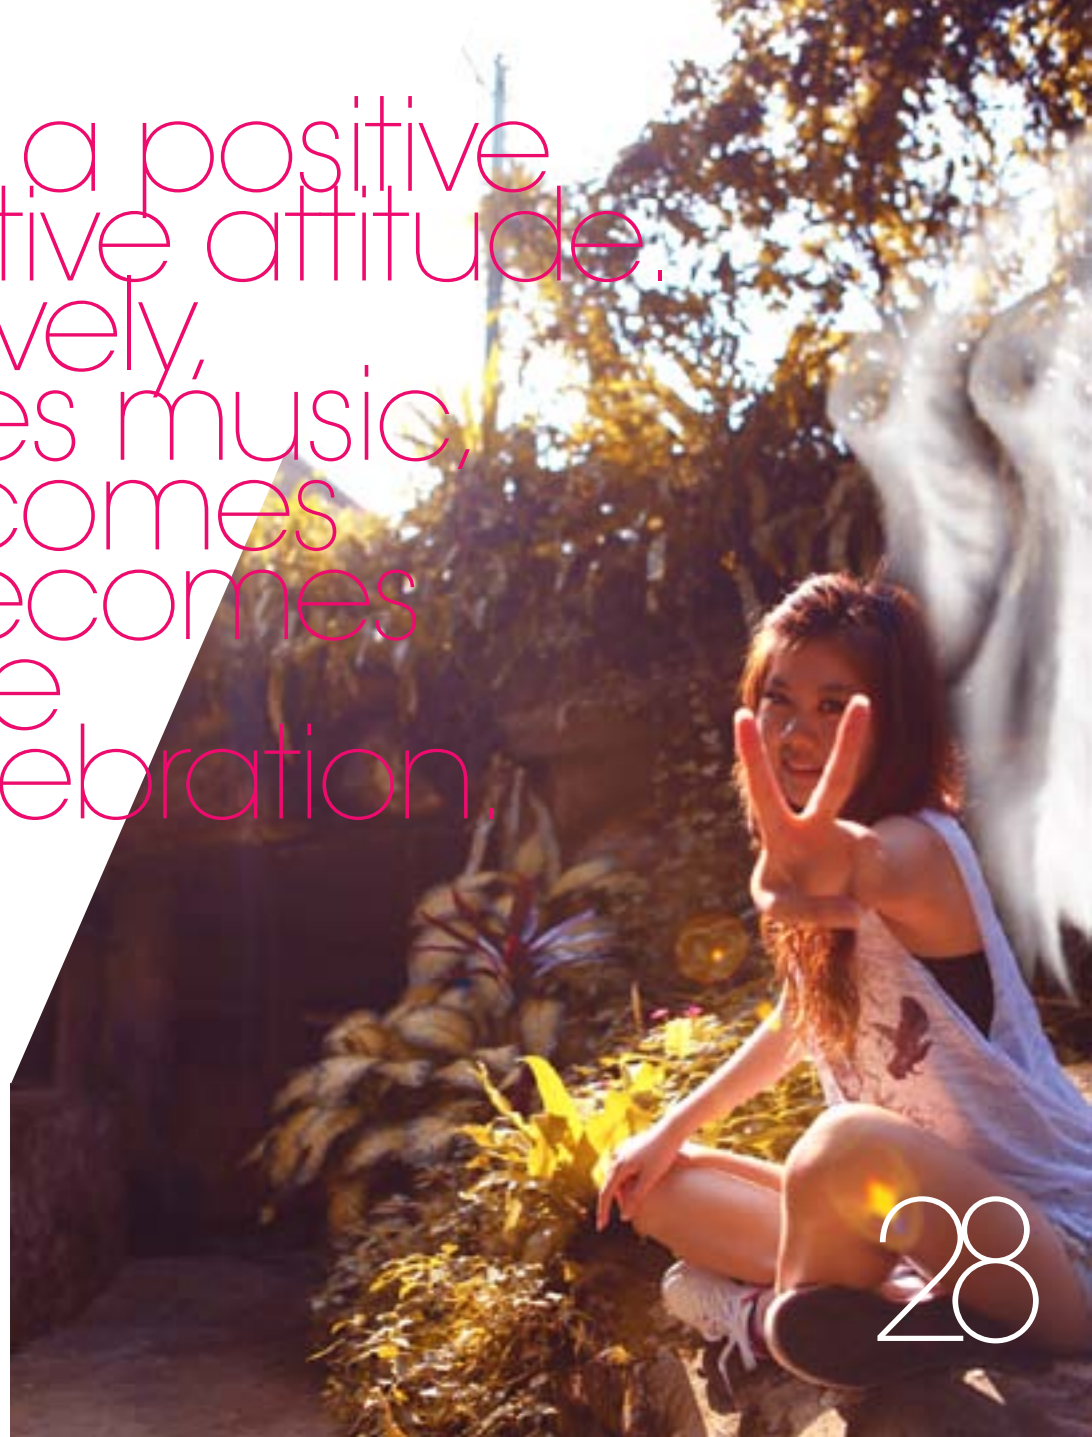

Be proud, be confident,  
you never know who  
has been looking at  
you wishing they were  
you.

You can't have a positive  
life with a negative attitude.  
If we think positively,  
sound becomes music,  
movement becomes  
dance, smile becomes  
laughter, and life  
becomes a celebration.

Life is like a roller coaster, live it, be happy, enjoy life!

A high-angle, close-up photograph of a woman with long, dark, wavy hair crouching on a light-colored, textured pavement. She is wearing a dark, strapless top and light-colored shorts. Her hands are extended towards the ground, with her fingers spread, casting a distinct shadow of her hands onto the pavement. The scene is brightly lit, creating strong shadows and highlights. In the background, the shadows of a metal fence or railing are visible on the pavement.

Life is short and  
unpredictable.  
Don't waste  
another  
minute on the  
people, places  
and things  
that don't  
make you  
happy.

You don't  
need to wait  
until all your  
problems  
disappear  
to be happy.  
You can  
decide to be  
happy now.

Always remember to  
be happy because  
you never know who's  
falling in love with your  
smile....
